

A LITTLE CORNER OF BEER HEAVEN

Welcome to Dudley & South Staffordshire CAMRA's guide to A Little Corner Of Beer Heaven situated in the west of the Black Country. It is one of those happy coincidences that a small constellation of great pubs selling great beer are served by just two bus routes, the Nos. 541 & 558 which both run between Dudley and Wolverhampton. The map is not to scale but is designed to show where the bus stops are (558 - 541) in relation to the pubs. Remember you can always ask the driver to put you off at the right stop. There are many different routes and permutations to consider but we are confident that you will not be disappointed. If you require help, advice or a native guide please get in touch.

In planning your tour of Beer Heaven please make sure to check the opening hours of the pubs listed.

The Lower Gornal pubs are fairly close together and it's an easy walk (about a mile) and downhill nearly all the way from The Black Bear to The Five Ways.

The Britannia is one bus stop past the Jews Lane - Kent Street Junction (where the Nos. 558 & 541 intersect) and it's only another stop to The Jolly Crispin. From The Jolly Crispin it is only about a mile (15mins walk) to the centre of Sedgley.

From the bus stops in Sedgley it's about half a mile (10mins walk) to The Beacon Hotel and one passes The Bulls Head on the way. The Nos. 545 & 546 run to and from the centre of Sedgley along Bilston Street (Daytime every 30mins, Evenings hourly) it's only 2 stops and it is often quicker to walk unless a bus is due.

The Mount Pleasant is only two bus stops (10mins walk) past Sedgley.
